Ariana answers  
"only one slice I can give you"  
But she annoyed and angry  
calaverita wanted to take it away  
Ariana doesn't leave her and  
she runs to the party to celebrate  
but the calaverita follows her  
down the street running behind

Shopping the december gifting  
Dear Parca, I hope you're fine  
Because these friends of me don't behave  
I need a favour from you, if you can  
Come in night to their houses to scare  
All we have to be in time to class  
With cameras on ready to study  
If someone distracted won't pass
